AMERICAN FYRE DESIGNS™

Outdoor Products Collection

Homeowners all over the country have come to realize the allure of fire in their backyards. Fire brings warmth, glow and serenity, encouraging us to relax and unwind. An American Fyre Designs™ exterior fire feature will anchor your outdoor living space and turn your patio into an outdoor sanctuary inviting conversation that flows well into the night – even when there is chill in the air.

From Fireplaces perfect for cuddling up under the stars, to Firetables ideal for entertaining, each product is expertly crafted from innovative glass fiber reinforced concrete (GFRC). GFRC derives its strength from portions of alkali-resistant glass fiber and acrylic polymer blended into durable concrete to withstand the outdoor elements. Modularly constructed for easy assembly, American Fyre Designs™ products are an elegant addition to any outdoor area.

American Fyre Designs™ products are available in a variety of styles, colors and textures to complement any décor. Warm your outdoor living area with American Fyre Designs™.

Fireplaces

Create enticing outdoor ambiance with an American Fyre Designs™ Outdoor Fireplace. Expertly handcrafted from innovative glass fiber reinforced concrete (GFRC), a variety of styles, finishes, and options are available to select the right fireplace for you. Most fireplaces are available in vent-free versions which permit you to locate your fireplace in a lanai or other covered outdoor area.

Feature Highlights

- Modularly constructed as easy-to-assemble components
- Exterior may be recessed on most fireplaces to accommodate field cladding in tile, stone, or other veneer
- Most fireplaces available as Vented or Vent-Free
- All Vent-Free fireplaces are blocked at the top and throat of the firebox
- Most Fireplaces include herringbone firebox liners (excluding Milan models)

The image shows two decorative outdoor fire lanterns in a garden setting. The lantern in the foreground is a large, square, dark-colored unit with a complex, branching metal screen that allows fire to be seen inside. A smaller, similar lantern is visible in the background. The scene includes a wooden pergola, a blue outdoor chair, and a hillside in the distance.

The versatility of American Fyre Designs' Fire Urns and Lantern is unmatched. From traditional to contemporary, these unique fire features offer a wide array of design options to any outdoor setting. Several of these can be displayed down a path or placed near a fireplace or other outdoor feature to add sophisticated elegance to your outdoor area. Made from glass fiber reinforced concrete (GFRC), these fire features come in a variety of different finishes. Fuel options include Natural Gas or self-contained Propane tank.
