The St. Tropez Series Patioflame® Table

FIND YOUR HAPPY (fire)PLACE.

Throughout the ages, people have gathered around fires to share in life's greatest joys. There's just something about the glow of flickering flames that makes special moments feel even warmer.

Napoleon outdoor fireplaces and Patioflames® are uniquely designed to brighten the vibe of your home. Napoleon has an incredible range of designer options to fit any vision. A fire not only raises the warmth and ambiance, it can raise the value of your home. A fireplace offers some of the highest returns of any remodeling project, and that should make you feel good all over.

Napoleon's Hot Spots Research Study delivers insights on key areas of the home. In particular, how to help you add relaxation, social interaction and functionality to rooms to enhance your memorable moments.

Throughout this brochure we will share some of our insights with you.

For more inspiration visit www.napoleon.com/fireplaces

We are proud to be recognized as one of Canada's Best Managed Companies and are dedicated to providing quality, home comfort products for over 40 years and counting.

Galaxy™

Out of this World

Napoleon's Galaxy™ outdoor linear gas fireplace is constructed of weather resistant brushed stainless steel for maximum outdoor durability and is available in single sided (GSS48E) and See Through (GSS48STE) models. The Galaxy™ features an "Easy Start" Electronic Ignition with remote control and optional wall switch, a glass wind deflector (two included with See Through unit) to ensure operation in windy conditions, as well as a safety valve that turns the gas supply off if the flame goes out. This outdoor linear gas fireplace is the perfect addition to any backyard oasis.

Kensington Patioflame® Table Series

Imperial Luxury

Gather around with your family and friends beside the warm radiant heat of Napoleon's Kensington outdoor gas Patioflame® table series. The Kensington Series is constructed of hand-crafted cast aluminum for lightweight mobility and corrosion resistance. The rustic bronze finish and ornate details provide a feeling of imperial luxury in your own backyard. Each model features a topaz glass ember bed for beautiful flame reflections and colored glass is available for further customization. A single panel door provides easy access to a propane tank and a natural gas conversion kit is included for your convenience. Comes complete with matching burner cover to transform your fire table into a functional table for all your entertaining needs.

St. Tropez Patioflame® Table Series

Reminisce about the Riviera

Napoleon's St. Tropez outdoor gas Patioflame® table series features a classic, linear design that will match any outdoor décor and take the chill off cool evenings. The St. Tropez Series is constructed of rust-free aluminum for lightweight mobility and corrosion resistance. A stylish topaz glass ember bed reflects the light of the flames warming you and providing a cozy atmosphere. The single panel access door opens to the propane tank for easy tank replacement. Comes with a matching burner cover to provide a larger serving area for entertaining, when not burning.

Hamptons Patioflame® Table Series

Modern Elegance

A stylish, contemporary design sets the Napoleon Hamptons Series Patioflame® Tables apart from the rest. The beachy – casual construction, and gray color match any décor. Safe and fuel efficient, the Hamptons Series features a thermocouple valve that cuts the gas when flame is interrupted, meaning that if a gust blows the flame out, or you forget to shut the gas when you're done, no gas will be wasted. The beautifully constructed, durable, aluminum surround conveniently hides a gas tank. Never worry about the weather, drainage holes in the burner pan allow the rain to drain away, and the optional windscreen will protect the flames from the wind. Set your drinks down, converse in comfort and enjoy your outdoor living space. Easily convert your Hamptons Patioflame® Table into a fully functioning table with the included matching burner lid.

Uptown Patioflame® Table

A Ribbon of Fire

Extend the amount of time you can enjoy the outdoors with this modern alternative to a fire pit. The Napoleon Uptown Patioflame® Table is a rugged, and solid looking linear fire pit made from durable cast aluminum that looks like formed concrete. Stylish black lava rock media fills the ember bed and creates a delightful flame pattern. This Patioflame® table is lightweight and can be placed anywhere in the backyard. The easy start ignition is hidden behind a flush mount, touch latch panel for a seamless look. For your peace of mind, the thermocouple valve automatically shuts off the gas when the flame is extinguished. Enjoy the great outdoors even during chilly weather with this modern outdoor heating alternative.

Nexus Patioflame® Table

Campfire Chic

Bring ambiance and coziness to your favorite outdoor spaces with the Nexus Patioflame® Table. The durable cast aluminum body is hand-painted to resemble concrete that will pair well on stone patios and wooden decks alike. The lava rock media hides the burner to create a magical flame pattern that evokes the campfire vibe. This lightweight unit can be moved to where the action is when fueled by propane. Optionally, convert this Nexus Patioflame® Table to use natural gas, so you never worry about refueling.
